RE: Application of Mobilitie, LLC to Construct, Maintain, and Operate its Lines and Facilities in Gainesville, Georgia

- 9GAX000854_AT90XC859A

PURSUANT TO PARAGRAPH (2) OF SUBSECTION (b) OF CODE SECTION 46-5-1 OF THE OFFICIAL CODE OF GEORGIA ANNOTATED, THE MUNICIPAL AUTHORITY SHALL NOTIFY THE APPLICANT OF ANY DEFICIENCIES IN THIS APPLICATION WITHIN 15 BUSINESS DAYS OF RECEIPT OF THIS APPLICATION; SUCH NOTICE SHALL SPECIFICALLY IDENTIFY ALL APPLICATION DEFICIENCIES. IF NO SUCH NOTIFICATION IS GIVEN WITHIN 15 BUSINESS DAYS OF THE RECEIPT OF THIS APPLICATION, THE APPLICATION SHALL BE DEEMED COMPLETE

Dear Mr. Dockery:

Please find the enclosed application of Mobilitie, LLC ("Mobilitie") to install new utility infrastructure in your City. Along with the attached permit application, you will also find construction drawings and photo simulations for each facility.

Mobilitie is a public utility company regulated by the Georgia Public Service Commission to provide telephone-related services, such as facilities-based competitive local exchange and interexchange services. To meet the growing demand for connectivity, Mobilitie is deploying a hybrid transport network that provides high-speed, high-capacity bandwidth in order to facilitate the next generation of devices and data-driven services. This network can support a variety of technologies and services that require connectivity to the internet, including, but not limited to, connected vehicles (commercial, personal and agricultural), remote weather stations and mobile service providers. These transport utility poles and facilities are not dedicated to any particular customer, and, to the extent capacity on the structures is available, are available to be used by other entities.

Mobilitie is submitting the application in accordance with Georgia law. Mobilitie plans to construct the applied-for utility infrastructure within the next 18 months and formally requests the City to identify a single point of contact to streamline the application communications for the benefit of both parties.

Principal Office:

Mobilitie, LLC
925B Peachtree St. NE Suite 710
Atlanta, Georgia 30309

Local Agent:

Shaunda Stafford
Mobilitie, LLC
925B Peachtree St. NE Suite 710
Atlanta, GA 30309
Shaunda.Stafford@ITBUtility.com

Certification of Authority:

Mobilitie has certification from the Georgia Public Service Commission that it is authorized to provide telecommunications services and backhaul transport services in Georgia pursuant to CLEC Certificate L-0493 and IXC Certificate X-1101, copies of which are attached as Exhibit "A."

**Proof of Insurance:**

Copies are attached as Exhibit "B."

Description of Service Area:

Mobilitie's service area is the entirety of the City of Gainesville. If Mobilitie modifies its service area as identified in this application, it shall notify Gainesville of such changes at least 20 days prior to the effective date of such change. Such notification shall contain a geographic description of the new service area to be provided within the jurisdiction of Gainesville.

Description of Services to be Provided:

Under its CLEC and IXC certificates, Mobilitie is a telecommunications service and backhaul transport provider. If Mobilitie modifies its provisioned services identified in this application, it shall notify Gainesville of such changes at least 20 days prior to the effective date of such change. Such notification shall contain a description of the new services to be provided within the jurisdiction of Gainesville.

Compliance Agreement:

Mobilitie shall comply with all applicable federal, state, and local laws and regulations, including municipal ordinances and regulations, regarding the placement and maintenance of facilities in the public rights of way that are reasonable, nondiscriminatory, and applicable to all users of the public rights of way, including the requirements of Chapter 9 of Title 25, the "Georgia Utility Facility Protection Act."

Statement Concerning Payment of Compensation to Gainesville:

Mobilitie acknowledges that the payment of due compensation to Gainesville as defined in O.C.G.A. § 46-5-1(b)(9) would be required for Mobilitie to have the right to construct, maintain, and operate its lines upon the right of way in Gainesville. In filing this application Mobilitie seeks to provide Gainesville with the information necessary for Gainesville to determine the amount of due compensation that would have to be paid and represents to Gainesville that O.C.G.A. § 46-5-1 does not prevent the filing of an application.

By agreement to pay the fee required by O.C.G.A. § 46-5-1, Mobilitie does not consent to pay a fee which would be in excess of that paid by other carriers similarly situated or in excess of any amount that would otherwise be set by applicable law and Mobilitie does not waive any right that it may have to seek a determination of such fee under applicable law.

Facilities to be Installed:

The facilities to be installed in the right of way of Gainesville are as set forth in the enclosed documents as Exhibit "C."

Mobilitie's hybrid transport network is an industry changing approach that seeks to improve telecommunications service and backhaul connectivity for the City's residents. We are excited to work with Gainesville and are available to answer questions. If you have questions, please contact me by email at Shaunda.Stafford@ITBUtility.com.

Thank you for your attention to this matter.

Application made on this 30th day of June, 2016.

Respectfully submitted,

A handwritten signature in blue ink that reads "Shaunda Stafford".

IN RE: Application of Mobilitie, LLC for a Certificate of Authority to Construct or Operate Telephone Line, Plant or System.

CERTIFICATE OF AUTHORITY**TOLL LINES**

Decided: December 21, 2010

BY THE COMMISSION:

On August 9, 2010, Mobilitie, LLC (hereinafter referred to as the "Company") filed with the Georgia Public Service Commission (hereinafter the "Commission") an application for a Certificate of Authority to provide intrastate intraLATA and interLATA telecommunications service throughout the state of Georgia. By way of background, Georgia was divided into five Local Access and Transport Areas ("LATAs") as a result of certain litigation involving AT&T (formerly known as American Telephone and Telegraph Company). This litigation resulted in the Modification of Final Judgement, which is the consent decree entered by the United States District Court in United States v. American Telephone and Telegraph Company, 552 F. Supp. 131 (D.D.C. 1982), aff'd sub nom. Maryland v. United States, 103 S. Ct. 1240 (1983).

In filing this application, the Company seeks authority to become an intraLATA and interLATA interexchange facilities-based carrier operating within the state of Georgia.

The Commission has reviewed the Company's application and will impose the same conditions and restrictions as contained in the Orders issued in Docket Nos. 3439-U (AT&T), 3446-U (MCI), 3451-U (GTE-Sprint), 3458-U (Microtel), 3501-U (SouthernTel), 3575-U (U.S. Sprint), and 13145-U (GPW's CLEC Order).

In Administrative Session on December 21, 2010, the Commission voted to waive public hearing on this matter.

After carefully analyzing all evidence of the record in this case, the Commission makes the following findings of fact and conclusions of law:

FINDINGS OF FACT

1.

The Company has filed an application seeking authority to provide state-wide intraLATA and interLATA interexchange facilities-based telecommunications services in the state of Georgia.

2.

The Commission has considered the application of the Company for a Certificate of Authority.

3.

The state of Georgia has been divided as a consequence of the Modification of Final Judgment into five LATAs (local access and transport areas).

4.

The Company is a long-distance telecommunications carrier authorized by the Federal Communications Commission ("FCC") to construct and operate interstate telecommunications services. The Company owns facilities and/or leases them from/to other common carriers. The Company's system provides interstate telecommunications services including private line offerings.

5.

The Commission finds that the Company has the financial, technical and managerial ability to provide intraLATA and interLATA intrastate telecommunications service for which it is seeking a Certificate of Authority.

6.

The Commission finds that the Company will provide carrier's carrier transport service for wireless carriers. The Company will provide its service using backhaul linked by fiber optic cables with conversion equipment attached to poles, wires, fiber termination equipment and other structures.

CONCLUSIONS OF LAW

Based on the foregoing Findings of Fact, the Commission makes the following Conclusions of Law:

1.

Pursuant to O.C.G.A. §§ 46-5-163(b), 46-5-41, 46-2-23 and 46-2-25, the Commission has jurisdiction to grant the certificate requested herein and to determine the reasonableness of the rates, charges, classifications and services of the Company.

2.

O.C.G.A. § 46-5-43 requires that when an application to acquire or operate a telephone system is received, proper notice of the application shall be given to specifically identified groups and classes of persons.

3.

The Commission, pursuant to O.C.G.A. §§ 46-5-41, 46-5-163(b), and 46-5-168, has the authority based upon applicable law to refuse to issue the certificate or to issue it in part or in whole.

4.

The Commission further concludes that this certificate authorizes the Company to provide intraLATA and interLATA services throughout the State of Georgia. The Company will be subject to this Commission's decisions on all issues concerning the completion of intraLATA and interLATA calls. The Company is authorized to sell its services and to resell services of other certificated carriers.

The Commission further concludes, pursuant to O.C.G.A. §§ 46-2-25.1, 46-2-25.2 and 46-2-25.3, that all companies providing services between Georgia's LATAs should take certain steps to insure that customers utilizing the services of the companies are not billed for county-wide local calls, 16-mile toll-free calls, and toll-free calls within 22 miles that both originate and terminate within a given LATA. In the case of companies providing services to other common carriers for resale, the foregoing restriction shall apply to the reselling company.

WHEREFORE, it is

ORDERED, that a Certificate of Authority number X-1101 is hereby granted to Mobilitie, LLC to provide intraLATA and interLATA intrastate telecommunications services in Georgia.

ORDERED FURTHER, that Mobilitie, LLC shall provide intrastate intraLATA and interLATA services pursuant to its Georgia tariffs.

ORDERED FURTHER, that if the Company desires to do business in Georgia under any name which does not appear on this certificate, the Company shall submit an application for amendment to its certification stating the name under which it plans to conduct business.

ORDERED FURTHER, that the Company shall contribute to the Universal Access Fund as prescribed in Docket No. 5825-U.

ORDERED FURTHER, that the Company shall be responsible for ensuring that its employees, agents or designees comply fully with all applicable laws, rules and orders of the Commission relating to safe excavation procedures, including, but not limited to O.C.G.A. § 25-9-1 et seq., the Georgia Utility Facility Protection Act. Violations of such laws, rules, or orders of the Commission by the Company's employees, agents or designees may result in revocation, suspension or other limitation on the Company's certificate of authority and may result in fines assessed on the Company pursuant to O.C.G.A. § 46-2-91.

ORDERED FURTHER, that pursuant to O.C.G.A. § 46-5-168(b)(2) the certificate granted herein shall be subject to revocation if the Company fails to notify the Commission of any change in its contact address on file with the Commission, fails to comply with Commission requirements or orders, or violates any applicable law or Commission rule.

ORDERED FURTHER, that all statements of fact, law and regulatory policy contained within the preceding sections of this Order be adopted as findings and conclusions of law and conclusion of regulatory policy of the Commission.

ORDERED FURTHER, that jurisdiction over this matter is expressly retained for the purpose of entering such further order or orders as this Commission may deem just and proper.

ORDERED FURTHER, that any motion for reconsideration and/or rehearing in this case shall not have the effect of staying this Order of the Commission, except insofar as the Commission may otherwise provide.

The above by action of the Commission in Administrative Session on December 21, 2010

INTERIM CERTIFICATE OF AUTHORITY TO
PROVIDE COMPETITIVE LOCAL EXCHANGE
TELECOMMUNICATION SERVICES

IN RE: DOCKET NO 32466: Application of Mobilitie, LLC for a Certificate of Authority to Resell and Provide Facilities-Based Competitive Local Exchange Services.

Certificate No. L-0493

Approved: December 21, 2010

Effective: 12-22-10

BY THE COMMISSION:

I.
BACKGROUND

On August 9, 2010, Mobilitie, LLC (hereinafter referred to as "the Applicant" or "Mobilitie") filed with the Georgia Public Service Commission (hereinafter referred to as "the Commission") an application for a Certificate of Authority to Provide Competitive Local Exchange Services, pursuant to O.C.G.A. § 46-5-163(b). In Administrative Session on December 21, 2010, the Commission voted to waive a public hearing on this matter.

The statutory authority governing certificates of authority of the type the Applicant is seeking is found at O.C.G.A. § 46-5-163. This code section provides that a telecommunications company, including a telecommunications services reseller, shall not provide telecommunications services without a certificate of authority issued by the Commission. A certificate may not be issued without adequate proof that the applicant possesses satisfactory financial and technical capability. A showing of public convenience and necessity is not a condition for issuing a competing certificate of authority.

In support of its application, Mobilitie presented evidence through exhibits and additional materials routinely requested by the Commission Staff. After carefully analyzing all evidence of the record in this case, the Commission makes the following findings of fact and conclusions of law:

II. FINDINGS OF FACT

1. TECHNICAL CAPABILITY.

The Applicant intends to offer local exchange telecommunications services to business customers in Georgia. Applicant has demonstrated adequate technical capabilities to implement its business plan through evidence regarding its management team, technical understanding and customer service plans.

2. FINANCIAL CAPABILITY.

The Applicant has demonstrated that it possesses sufficient and adequate financial capability to provide the local exchange telecommunications services for which it is seeking a Certificate of Authority.

III. CONCLUSIONS OF LAW

The Commission Staff certifies the record in this docket to the Commission and issues this recommendation pursuant to O.C.G.A. §§ 46-2-58(d) and 50-13-17(a). Based upon the evidence, the Commission Staff finds that the Applicant has shown that it possesses satisfactory financial and technical capability pursuant to O.C.G.A. § 46-5-163(h) in order to be granted an interim certificate, consistent with the Commission's guidelines in Docket No. 5778-U for the issuance of interim certificates of authority for the provision of local exchange telecommunication service.

Having reviewed the record and considered this case, the Commission finds and concludes that it should adopt the Commission Staff's recommendation as its decision in this docket.

WHEREFORE, it is

ORDERED, that the above numbered certificate is granted to Mobilitie, LLC, whose principal business address is 660 Newport Center Drive, Suite 200, Newport Beach, California 92660, to resell and provide facilities-based competitive local exchange telecommunication services.

ORDERED FURTHER, that the Applicant is hereby granted authority to provide local exchange telecommunications services in the BellSouth Telecommunications, Inc. d/b/a AT&T Georgia exchanges set forth below:

Acworth	Cumming	Leesburg	Savannah
Adairsville	Cusseta	Lithonia	Senoia
Albany	Dallas	Loganville	Smithville

ORDERED FURTHER, that as a condition precedent to the Applicant offering local service, that requires interconnection, in any of the requested exchanges, the Applicant must enter into an interconnection agreement with each affected incumbent local exchange company and obtain the formal approval of the Georgia Public Service Commission after said agreement is filed with the agency.

ORDERED FURTHER, that the Applicant's tariff is hereby approved.

ORDERED FURTHER, that the Applicant must comply with O.C.G.A. § 25-9-1 et seq. regarding the practices and procedures that shall be employed when a telecommunications provider or its designee is excavating in the state of Georgia.

ORDERED FURTHER, that the Applicant shall be responsible for ensuring its employees, agents or designees comply fully with all applicable laws, rules and orders of the Commission relating to safe excavation procedures, including, but not limited to O.C.G.A. § 25-9-1 et seq., the Georgia Utility Facility Protection Act. Violations of such laws, rules, or orders of the Commission by the Applicant's employees, agents or designees may result in revocation, suspension or other limitation on the Applicant's certificate of authority and may result in fines assessed on Applicant pursuant to O.C.G.A. § 46-2-91.

ORDERED FURTHER, that the Applicant must comply with the Commission's Order or Orders issued in Docket No. 11400-U, Prevention of Damage To Underground Facilities, and applicable law pertaining to Common Ground best practices for excavation damage prevention when excavating in an area in which underground facilities may be located

ORDERED FURTHER, that the Applicant shall contribute to the Universal Access Fund as prescribed in Docket No. 5825-U.

ORDERED FURTHER, that pursuant to O.C.G.A. § 46-5-168(b)(2) the certificate granted herein shall be subject to revocation if the Applicant fails to notify the Commission of any change in its contact address on file with the Commission, fails to comply with Commission requirements or Orders, or violates any applicable law or Commission Rule.

ORDERED FURTHER, that if the Applicant desires to do business in Georgia under any name which does not appear on this certificate, Applicant shall submit an application for amendment to its certification stating the name under which it plans to conduct business.

ORDERED FURTHER, that all statements of fact, law and regulatory policy

contained within the preceding sections of this Order be adopted as findings and conclusions of law and conclusions of regulatory policy of the Commission.

ORDERED FURTHER, that jurisdiction over this matter is expressly retained for the purpose of entering such further Order or Orders as this Commission may deem just and proper.

ORDERED FURTHER, that any motion for reconsideration or rehearing in this case shall not have the effect of staying this Order of Commission, except insofar as the Commission may otherwise provide.
